TODAY'S WEATHER

WHAT A SHOWER!

STARTING with rain in the north on Sunday, then another band of heavy rain will sweep in from the south, eventually giving everyone a good, old-fashioned, miserable January day.

Highs of 8C in London, 9C in Cardiff, 8C in Manchester, 8C in Belfast, 7C in Edinburgh.

A better day for many on Monday with the possibility of some sunshine, especially in the north and west of Wales. Most of northern England remaining largely dry but some rain in the north east and south coast of England and central Scotland.

Highs of 9C in London and Cardiff, 7C in Manchester and Belfast, 5C in Edinburgh.

She said: "It was

NEW Year's Eve – when Britain throws off its inhibitions and throws back industrial amounts of booze.

As usual, our nation rose to the occasion with some gusto as revellers welcomed 2016 by hugging police cars and rolling around in the street.

Roisters were also seen looking a little worse for wear in Swansea,

Police and bouncers had their hands full dealing with merry-makers.

VILE ISIS PUBLISH SEX SLAVE RULE BOOK

Sick death cult issues fatwa to halt 'violations'

SICK bosses from terror scum ISIS have issued a set of rules detailing how the group's thugs should deal with sex slaves.

Self-styled theologians from the ISIS Committee of Research and Fatwas have issued a detailed ruling on when "owners" of women enslaved by the extremist group can have sex with them.

The cynical move is an apparent bid to curb what they called "violations in the treatment of captured females".

The ruling, or fatwa, sheds new light on how the group is trying to reinterpret centuries-old teachings to justify the sexual slavery of women in the swathes of Syria and Iraq it

controls. The fatwa was among documents captured by U.S. Special Operations Forces in a raid on a top ISIS official.

Among the religious rulings are bans on a father and son having sex with the same female slave, and the owner of a mother and daughter having sex with both.

Abduction

Joint owners of a female captive are similarly banned from intercourse because she is viewed as "part of a joint ownership."

The United Nations and human rights groups accuse ISIS of the systematic abduction

and rape of thousands of women and girls, often as young as 12, especially members of the Yazidi minority in northern Iraq. Many have been given to fighters as a reward or sold as sex slaves.

Far from trying to conceal the practice, ISIS has boasted about it and established a department of "war spoils" to manage slavery.

Fatwa No. 64 appears to control sexual relations between ISIS fighters and their female captives for the first time.

Prof Abdul Fattah Al Awari, dean of Islamic Theology at Al Azhar University in Cairo, Egypt, said ISIS "has nothing to do with Islam" and was deliberately misreading old verses and sayings that were originally designed to end,

rather than encourage, slavery. He said: "Islam preaches freedom to slaves, not slavery. Slavery was the status quo when Islam came around."

"Judaism, Christianity, Greek, Roman, and Persian civilisations all practiced it and took the females of their enemies as sex slaves. So Islam found this abhorrent practice and worked to gradually remove it."

In September 2014 more than 120 Islamic scholars from around the world issued an open letter to ISIS leader Abu Bakr Al Baghdadi refuting the group's religious arguments to justify many of its actions.

The scholars noted that the "reintroduction of slavery is forbidden in Islam."

"Like how crazy would it be to see Obama and his wife, something weird like you are definitely not supposed to be watching, like creepy."

"Creepy would be fun rather than sexy, as there are a lot of sexy people out there."

CROCODILE SPOTTED IN YORK FLOODS

Authorities appeal for calm as panic grows

GRIM: Storms turn York into a lake

WATERLOGGED residents of York faced fresh hell last night after a CROCODILE was spotted swimming along the ancient city's flooded streets.

Thousands were evacuated from their homes on Boxing Day after torrential rain and Environment Agency incompetence led to the city – founded in AD 71 by the Romans – being inundated.

Now refugees returning to their saturated homes face the terror of being SWALLOWED whole by a rampaging reptile.

The creature was seen swimming down a street by a concerned helicopter crew, who filmed the scene and passed the footage to *Sunday Sport*.

Authorities in York, already facing widespread looting and the threat of plague, have warned residents not to panic.

A local government insider said: "The last

By **SIMON DEAN**
simon@sundaysport.co.uk

thing we want is people panicking over this croc. Statistically, the odds of being eaten by a crocodile in York are very slim.

"We'd urge people to be vigilant and under no circumstances be tempted to feed the crocodile if they see it."

Terror

"This bugger will have your bloody arm off, believe you me."

Residents are less than impressed by the new terror stalking their beautiful parish.

Frank Garside, 67, who has been flooded out

three times in the past six years, raged: "It's bad enough having to shovel up all the mud and shit."

"Now we might get eaten by a ruddy great crocodile. It's not on. I mean, what do we pay our council tax for?"

It's still not clear where the crocodile came from. No zoos have reported any missing reptiles and authorities are working on the assumption that the beast has escaped from a secret menagerie or handbag farm.

York, built on a confluence of the Rivers Ouse and Foss, is often hit by seasonal flooding, though this is the first time a croc has been spotted in the rising waters.

**SUNDAY
Sport****THE VOICE OF
YOUR BRITAIN****Save skins of
our people, not
foreign reptiles**

THIS newspaper has long argued that the dictum "Charity begins at home" contains timeless wisdom.

We have often questioned the folly of this country sending billions of pounds overseas, especially when our nation was in the grip of an economic meltdown.

Now, with vast swathes of our nation submerged by filthy water and thousands made homeless, showering largesse on foreigners is beyond folly...it's an obscenity.

There are those – especially out-of-touch showbiz luvvie types – who would say calls for foreign aid to be reined in are hysterical, racist even.

BOLLOCKS!

We look to our government to protect the population from natural disaster.

Conscience-salving donations to faraway lands should come a long way down the list of national priorities.

The idea that deadly reptiles are now patrolling in the floodwaters only adds urgency to the need to tackle Britain's problems first.

When crocodiles are swimming through the streets of York, it's no time to pay for African dictators' new gold-plated bathrooms.

**Krays shows Brit
movies still best**

LAST year the amazing Rise of the Krays broke sales records as millions rushed to watch this latest telling of the famous gangster twins' notorious story.

Now the sequel, Fall of the Krays, looks set to repeat that success as film fans flock to download the movie or watch it at the cinema.

The twin triumph of these films shows that the British movie industry is in fine fettle.

And in Simon Cotton and Kevin Leslie (Ronnie and Reggie), Britain has two new budding movie megastars.

Twitter user Mary Carey – a woman – tweeted, "There are so many in the lesbian and bi community that fancy her."

Rachel Thomas – another female – agreed, "She makes me question my sexuality. My ultimate fantasy is to lez it off with her."

The expression "lez it off" is a slang term indulging in lesbian physical contact.

And Lone Adams used similar terms in regard to well-developed teen Beth Lily. Lone – who, by her own admission, is in a happy heterosexual relationship – raved, "I would dump my boyfriend in a second for the chance to lez it off with her."

Sex expert Dr Hugh Grantham said: "We live in days where sexuality is more fluid, and thanks to improvements in acceptance and diversity, everyone feels more confident expressing same-sex desire."

Sex pills man caught pulling pud in library

A MAN who had a wank in a library after swallowing SEX PILLS has been placed under a six-week curfew by magistrates.

Antonio John Teoli was caught carrying out the sex act in Rawtenstall Library, Lancs, the court at Burnley was told.

The 28-year-old, from Haslingden, denied two charges of outraging public decency but was convicted after a trial.

Teoli was placed under a six-week curfew, between 10am and 4pm, and given a two-year community order.

He was also ordered to undergo one-on-one sex offender treatment after it emerged that he had ordered pills off the internet to increase his libido.

The court recorded not guilty verdicts in relation to two charges that Teoli used threatening, abusive or disorderly words or behaviour.

X FACTOR PAIR TOLD: LET WORLD SEE YOUR SEX TAPE

By **SAM WALKER**

samw@sundaysport.co.uk

X FACTOR runners-up Chloe-Jasmine Whichello and Stevi Ritchie have been told to get steamy ON camera.

The golden couple, who met on the ITV reality show in 2014, are all set to tie the knot in a lavish celebrity ceremony in July.

And the pair have been advised to announce their love to the world... by making their own SEX TAPE.

Colchester-born Ritchie has admitted that he and Jasmine were approached by hip hop promoter Fatman Scoop.

Stripping

The outrageous American hit them with the consummation suggestion while they were together in last year's *Celebrity Big Brother* contest on Channel 5.

Ritchie said: "Fatman Scoop said to me, 'you gotta do a sex tape'."

But the 35-year-old insisted: "I could never do a sex tape with Chloe."

"No one else would want to see my white arse going up and down. It

would be a turn-off for a lot of couples."

And his blonde Sussex-born bride-to-be also seemed against the idea, despite already stripping to her stockings in our exclusive pictures.

Jasmine said: "Divorce rates would be at an all-time high after our sex tape!"

The couple also let slip that ITV music mogul Simon Cowell, 56, and *X Factor* judge Cheryl Fernandez Versini, 32, have accepted an invitation to their big day.

Ritchie revealed: "Simon is apparently coming, along with Cheryl. They are the main guests."

"Simon gave me a big chance in life and now I have Chloe."

ALL THE BEST TV AND MOVIE BABES COMING THIS YEAR

By **SIMON DEAN**
simon@sundaysport.co.uk

IF you thought that 2015 was an amazing year for babes, 2016 is going to be even BETTER!

Movie makers and telly producers are absolutely **PACKING** new productions with top-rate blart.

And – although we can't prove it – the plum roles seem to be landing in the laps of those actresses who have been keen to throw off their clothing in the name of artistic integrity.

Pussy

One media analyst, who asked not to be named for fear of reprisals, said: "There's no doubt that telly and films are getting much raunchier. *Game of Thrones* has raised the bar when it comes to on-screen nudity."

"And even in mainstream cinema it's no longer unusual to see it going in."

"So all right-thinking producers have to respond to this new world. And that means high-end pussy...and lots of it, too."

We've pulled together the names to watch for 2016 – and some helpful stills of them in the buff!

LESBO ROMP TEACHERS SUE OVER LOST PAY

FINGERED: Cindy Mauro (top) and Alini Brito

TWO teachers who were fired after they were caught enjoying a lesbian romp in the classroom are suing education authorities for lost wages.

Cindy Mauro and Alini Brito were both working at James Madison High School when they sneaked away for some fingering action while watching a school musical.

They were caught "partially undressed in a classroom."

The pair were fired at first from their jobs but later rehired.

Now they are suing claiming they lost their seniority as a result of their alleged actions, which affects their future pay.

The two language

teachers were initially fired after a janitor at the Brooklyn, New York, school reported to have seen the alleged lesbian sexual interlude in a classroom.

They sued and got their jobs back after an appeals court ruled in their favour.

Tattooed tugger stared at woman

A PERVERT with the words TEAM USA tattooed on his forehead pulled his pud for 30 MINUTES on an underground train.

Cops have released a picture of the marathon wanker – who stared at a woman during the sex act.

The suspect was a passenger on a train travelling north from President Street station in New York City.

The man is accused of putting his hand down his trousers and performing the sex act on himself as he looked at the 29-year-old woman.

She took a picture of the oddball and sent it to cops, who are now asking for help identifying him.

A police spokesman said: "The suspect can be identified by the TEAM USA tattoo on his face – and the fact that he jerks off for a helluva long time."

LATE LEGEND'S LIFE IN FAST LANE REVEALED

Lemmy banged me up the bum for half an hour, stopped to down a bottle of Jack Daniels ...then carried on!

ROCK SUCKER: Groupie Sharon says Lemmy was the best at bonking

By **REX ROWLANDS**
news@sundaysport.co.uk

DEAD heavy metal star Lemmy wasn't just a hardcore rocker – he was a brilliant shag too!

Former groupie Sharon Tideswell met the Motorhead singer when he played a music festival in Wrexham back in 1982.

And she says the Ace of Spades singer, who died aged 70 last week, gave her the best sex of her life.

Sharon, who's now 52, said: "It's ironic but I didn't actually like Motorhead all that much.

"I was there to see the band Budgie. I really fancied the bass player and had been working out a plan to bang him for ages.

"But when I saw Lemmy up on stage I knew I had to have him.

"He was so sexy I got an instant wide-on.

"I managed to talk myself backstage and whispered in his ear, 'I'll give you the f*** of your life'.

"Within 20 minutes I was in a

hotel room with Lemmy's eight-inch cock balls deep in my arsehole.

"It was a dream come true for me."

And Sharon, who's now a grandmother-of-five revealed that Lemmy, whose real name was Ian Kilmister, had incredible staying power too.

She said: "He was banging away for about half an hour. I climaxed over and over.

Pushing

"Then he stopped for a break, downed a bottle of Jack Daniels before mounting me again and eventually coming all over my boobs.

"He made me feel so beautiful."

But their affair wasn't a one-off. They ended up seeing each other for six months – often going to ORGIES up and down the country.

She said: "Whenever he was up north he'd call and we'd meet. He was really into sex and pushing the boundaries.

"Once he pulled out this bondage kit he'd bought from a sex shop in Hamburg.

"I was well up for it and ended up being suspended from the ceiling while he took me from behind.

"They were happy days but eventually it just fizzled out

and he stopped ringing."

Sharon gave up being a groupie in 1985 and now runs a charity that rehabilitates injured greyhounds.

She said: "After a few years of banging half the bands who came to Wrexham I realised you can only suck so many cocks.

"I got into animal welfare and ended up looking after poorly dogs.

"I was sad to hear of Lemmy's passing. He was a real legend and the best shag I've ever had."

BIG GIG: Sharon met Lemmy at rock concert in Wrexham

You have our baby while I have a w**k!

A STRESSED dad-to-be took time out to have a WANK – while his partner was in labour in a maternity hospital.

Dirty Stephen Kirk, 23, was caught on CCTV outside the hospital, furiously pulling at his tackle.

Hospital security were called about the incident, but the tigger left before guards could apprehend him.

Cops feared they had a pervert who got his kicks from pregnant women on their hands and released a CCTV image of a suspect.

After the image was circulated, red-faced Kirk turned himself in and explained he had gone outside for a hand-shandy because waiting for his girlfriend to give birth was "stressing him out".

He was charged with committing an indecent act in Oshawa, Canada.

Sweaty bras thief jailed

A MAN who crept into women's homes and stole their sweaty sports bras has been jailed for two years and eight months.

A court found the 45-year-old man guilty of around 100 counts of harassing women and stealing and cutting up their underwear.

Prosecutors in Lucerne, Switzerland, said the fetishist began his thieving spree in 1999 and continued until his arrest in 2014.

He pinched bras and little white panties from "sporty" women in their 20s and 30s and also stole jewellery and shoes.

The court recognised a plea of diminished responsibility and ordered the man to undergo psychotherapy.

The defendant was cleared of a number of charges, including arson.

Saucy Nicole wants to go commando

KEEP your fingers crossed for a gust of wind when saucy Nicole Scherzinger is around – as she's admitted she wants to go COMMANDO!

The former *X Factor* judge, 36, says she'd love nothing better than to turn up at a lover's house wearing nothing but a trench coat and stilettos.

The American pin-up and pop babe said: "I might surprise my man one day in just a trench coat and high-heels – it's every guy's fantasy!"

Stunning Nicole – who was born in Hawaii – has also got an eye for the LADIES, and loves a nice pair

of boobs to ogle. Speaking about the women she lusts after, Nicole said: "Halle Berry has an incredible body, and she's got a nice pair."

"And Fergie from the Black Eyed Peas has got a nice rack, plus she has a tiny little bum. And I think Beyoncé's body is gorgeous – it's totally natural, it's hers."

Unbelievably, Nicole, who used to date F1 star Lewis Hamilton, doesn't rate her own figure.

She moaned: "I don't love my legs and thighs. I always thought I had a big booty when growing up."

"I tried to hide my butt but now it's nice to see that big booties are back in!"

GET REAL: Amber Lynn has more to offer than VR sex machines

Hookers scoff at robo-romps

HOOKERS have scoffed at predictions that high-tech so-called "virtual reality" will kill off brothels.

Virtual reality (VR) is tipped to be the next big trend in technology – and is central to the upcoming Consumer Electronics Show (CES) in Las Vegas, where companies show off what they are working on. But a legal brothel based nearby sees no threat from the technology.

Rubber

Virtual reality allows people to strap on a headset and move around a world as if they are really there. The technology even offers e-sex.

Manufacturers are already making computerised rubber women and have even integrated iPad-style tablets with realistic sex arses.

But that experience will never be enough to threaten the business of real sex workers, they say.

A hooker identified as Marly, who

By BRAD CHADWICK
news@sundaysport.co.uk

works at the Nevada-based legal brothel Sheri's Ranch, said: "I agree that virtual reality technology will unavoidably change the sex industry, but I feel that it will more likely replace pornography than prostitution."

"I think it will take more than a 'sex simulator' to put me out of business, mainly because I offer so much more than sex. But only time will tell."

Another sex worker, Amber Lynn, warned: "Sex that comes so effortlessly will eventually become passionless and mundane."

"People will forget how gratifying and exciting a genuine tryst can be."

"Easier isn't necessarily better, especially when it comes to enjoying the breadth of what life has to offer."

Willy pump row man got his weapon out

AN unhappy punter pulled a GUN on a sex shop employee over a faulty willy enlarger.

The disgruntled shopper went to the Viva Video store in St Paul, Minnesota, to exchange the penis pump after claiming it did not work properly.

But the clerk refused to take back the sexual device – because it had been used and was contaminated with knob cheese.

The angry customer then pulled out a black handgun and threatened the clerk before fleeing the shop.

Police have classified the incident as an aggravated assault with a firearm.

The suspect is still on the run.

The nature of the penis pump fault is not stated in police records.

'Wife wants dog sex ad' cop probed

A COP posted explicit photos of his estranged wife on an internet classifieds website and advertised that she was seeking sex with DOGS!

Dennis J. Adams, 39, posted an explicit picture of his missus on Craigslist, listed her phone number and labelled the ad, 'Cougar Looking For Doggy Fun.'

The woman told police she received harassing texts and phone calls from dog sex people in response to the ad.

Adams (above) was arrested on a single count of second-degree breach of peace.

He has since been released on police bail but is due at court in Rockville, Connecticut on January 21.

Adams's defence attorney Raymond Hassett said Adams denies the allegations. He added that Adams's estranged wife brought the same allegations in the divorce case now pending between the two, and they were found to not be credible.

Adams is on paid administrative leave pending the outcome of the case and a police internal investigation.

DRUG GANG PLAY OPERATION... WITH REAL PERSON!

NOT CHILD'S PLAY: The popular children's game (right)

Cops swoop after 'screams of agony' heard

A GANG of drug pushers punished a snitch by carving him open and plucking out his organs, one by one.

And blabbermouth Danny Costa was still alive during the grisly real-life version of children's toy Operation...right until his still-beating HEART was ripped from his chest.

Police - summoned by residents who had been woken by blood-curdling screams of agony - found Pete Miles, 23, Frankie Lyon, 40, Delroy Pierce, 38, and Lee Foster, 24, covered in blood alongside Costa's mutilated corpse.

Sources say the four men

By **BRAD CHADWICK**
news@sundaysport.co.uk

appeared to have been under the influence of killer death drug PCP, a narcotic known to throw users into powerful murderous rages and even induce cannibalism.

A police source said: "Danny Costa had been a mid-ranking member of the gang but he left when his girlfriend became pregnant."

Savagery

"Maybe he developed a conscience or maybe he was lured by reward money but either way he informed on his former colleagues which led to the arrest of three fairly significant members."

"Costa was in the frame for the tip. The word had gone out that he should be 'dealt' with."

"The savagery of the attack is far beyond anything we've seen before in gang punishment attacks."

"The four men who were arrested were clearly out of their minds. The first officers on the scene said they were howling like animals and made no attempt to escape."

The four have all been charged with murder and face the death penalty when their cases come to trial in Tallahassee, Florida.

One veteran lawman said: "The needle is too good for demons like this. Danny Costa was no angel but what they did to him was beyond human comprehension."

ALSATIAN LICKED PERV'S BELLEND

A DEPRAVED dog-sex fiend got an Alsatian to lick his BELLEND in full view of two teenage girls.

Raymond McGahan enticed the dog to perform oral sex on him when he stuck his privates through a fence.

But the 49-year-old walked free when a judge handed him a suspended jail sentence.

McGahan told a court he was "deeply embarrassed" as he pleaded guilty to the sickening incident, which was witnessed by the girls, aged 15 and 16.

He admitted a charge of indecent behaviour - saving the teenage girls

the embarrassment of having to recount their witness statements.

The girls saw McGahan, of Omagh, Co Tyrone, put his manhood through the fence and beckon the Alsatian to him. The dog then licked his organ.

McGahan then met the father of one of the girls and lied by claiming he was only "having a pee".

He was reported and subsequently told police that he saw dogs in the alleyway near a house but went there to urinate.

Defence solicitor Michael Fahy told Omagh magistrates his client was "acutely embarrassed", adding that he "deeply regretted the matter and

understood it was wholly and entirely inappropriate".

He asked that the defendant get credit for pleading guilty to the offence, thereby saving the girls having to give their evidence in court in what was a "wholly unsavoury matter".

Imposing a sentenced of four months' jail, suspended for two years, District Judge Peter Prenter told McGahan: "There is no doubt this was unacceptable behaviour. It was unsavoury behaviour and could be described as disgusting behaviour."

"Perhaps some therapy would be helpful but that cannot be done by the court. This is a very serious offence."

Son axes dad over goblins

SPOOKED Michael Mapuranga, 50, axed his father to death - for possessing GOBLINS.

Mapuranga is said to have disappeared from his home in Lusaka, Zambia, soon after the deadly attack on his elderly dad, Ford Sabi.

A police spokesman said: "Mapuranga killed his father with an axe to his forehead after accusing him of practising witchcraft."

BBW

By JESS GALLEY jess@sundaysport.co.uk

BIG news... there has been a whopping rise in the number of men lusting after porn featuring **LARGER ladies**.

A survey carried out by porn site Pornhub revealed a 47 per cent rise in the number of searches for 'big beautiful women' or 'BBW'. And the figures showed that there has been a huge increase in the number of men wanking over steamy skin flicks starring fuller figured ladies over the past two years.

The researchers suggested the eye-opening results showed a positive shift in female body ideals.

Celebration

Corey Price, from Pornhub, said: "The 'ideal body' is a thing of the past. This year has been a celebration of body positivity, championing curves and finding beauty and sex appeal in all different types of physiques."

"I think there is an absolute correlation between this and why the searches for BBW have increased 47% from 2013 to 2015."

Mystery w**ker shot load into coffee maker

POLICE are asking for the public's help in identifying a man caught "gratifying himself" into a coffee maker inside a superstore.

The pud-pulling pervert was spotted performing the sex act at the Target homeware store in New Hartford, New York state, according to cops.

Police say a shocked customer reported seeing the man masturbating in the appliance area of the store.

The still-unidentified man authorities believe to be the suspect was caught on surveillance cameras exiting the store.

Surveillance video shows he has a beard and was wearing a grey or white baseball hat and a black shirt.

Cops are hoping someone in the area will recognise the mystery wanker.

Staff at the store say the coffee maker was "ruined" thanks to "spunk in the filter".

Bacon fans go bonkers for 50 Shades

KINKY Danes have caught the *Fifty Shades* bug and have turned to bondage in the bedroom, according to industry experts.

Sales of handcuffs, whips, ropes and other sex toys increased sharply last year after the film, which stars Dakota Johnson (*above*), came out, according to erotic webshop *Sinful.dk*.

The firm's co-founder Mathilde Mackowski said: "After the film came out we recorded a huge increase in demand for the more experimental sex toys. There is no doubt that the *Fifty Shades of Grey* phenomenon has helped to inspire sex fantasies of the Danes."

Danes are widely thought of as dull people who make Lego and eat a lot of bacon, but UN figures show that they are among the most sexually-adventurous people in Europe.

Firemen called to cut cock ring

FIREFIGHTERS undertook a "delicate operation" – to liberate a man's penis from a steel COCK RING.

Hospital staff had asked for a fire crew to go to the emergency department to help remove the ring that had encircled the man's private part.

Doctors had been unable to shift the ring using lubricant and gentle pulling, so firemen were called in at Middlemore Hospital in Auckland, New Zealand, to use a dremel tool – a type of power grinder – to remove the stainless steel object.

A fire brigade spokesman said: "If you look at that, you can see it required a delicate operation."

Despite the bizarre nature of the incident, the spokesman said it was not that uncommon.

"Hence they carry the dremel tool," he said.

JOYRIDER MONKEY CRASHES BUS

Mayhem at depot after ape hijack

A MONKEY caused chaos when it jumped onto a parked bus, started the engine and then crashed it into two parked vehicles.

Passengers fled for their lives as the shrieking simian – which had been drinking beer stolen from a local bar – careered the vintage bus across the terminus at the height of rush hour.

The primate sneaked onto the vehicle while the driver was taking a nap on the back seat, then managed to turn the key to start the engine.

The driver of the bus woke and rushed to the front to try to chase the chattering animal away.

But the panicked primate accidentally shifted into second gear and the bus lurched forward, which collided into two parked vehicles as waiting passengers in the Indian city of Bareilly scattered.

Fortunately, the ape was uninjured during his adventure.

Uttar Pradesh State Rd Transport Corporation regional manager SK Sharma said: "The driver managed to regain control of the bus but not before it hit two other parked buses.

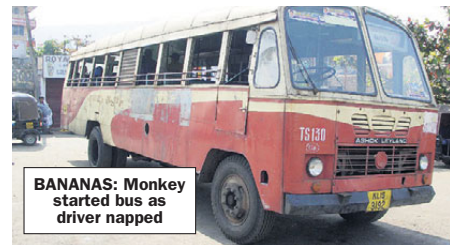

"Monkeys have become

a regular menace at bus stations and workshops, where they often fiddle with vehicles undergoing repair. They have also damaged CCTV cameras.

"Three years back, we had taken the help of municipal authorities to get rid of them but they have returned."

The bus company is now in talks about how to catch monkeys near the bus station and transfer them elsewhere.

Silly Dappy can call himself black if he wants to

YOU'LL forgive me if I am not overly familiar with the work of a certain Mr Costadinos Contostavlos – or “Dappy” as he is known to Radio One listeners.

Best known as the lead singer of N-Dubz – a Camden-based grime trio, according to Wikipedia – Dappy is usually in the news for being unpleasant in one way or another.

Now Mr Dappy has run into trouble again thanks to his use of the “n-word” on his latest record.

And when challenged, he hit back – on Twitter, of course – with, “If the word N*gga means black to you then your (sic) Racist. We took that word and made it our own to piss off the racists!”

This made things infinitely worse. By using the word “we”, people obviously assumed that Mr D was claiming he was black and so allowed to use the n-word.

From across the world, Twitter users with nothing better to do than work themselves into a race rage furiously attacked Dappy, who is Greek.

Idiocy

A black actor called Du’aine A Samuels responded, “No you’re not black! No matter how hard you try! Just like no matter how hard I try, I’m not Greek-Cypriot.”

The row bounced to and fro across the arena of idiocy that is Twitter.

Obviously, Dappy is not black. But if he claimed he was, is it really that offensive?

After all, we live in a world where a man can put on a dress then expect us all to refer to him – sorry, her – as a woman and woe betide anyone who dares say otherwise.

Dappy identifying himself as a black man is surely no more outlandish than a person with a hairy great cock and balls saying they are a woman.

If you follow the logic of the all-mighty “trans” lobby, we can describe ourselves as man, woman, black, white, herring, or f**king air conditioning unit, for all I know.

And anyone who says otherwise is some sort of “phobe”.

As the war of words raged, young Dappy tried to extricate his foot from his arsehole by posting this, “yes we!! Yes us!! I dnt hav blk friends, I have black family, so if a racist see’s my kids as a n*gga, then so am I!!! No?”

No, me neither.

I think in the final analysis, there is one label that most will be able to agree on for Mr Contostavlos. C**t.

BEST FETCH A MOP!

Stars of Joy are TOPLESS

By **BARNEY SAMUELS**
news@sundaysport.co.uk

THAT’S right. You heard correctly. The most talked-about Hollywood movie of the week is about a MOP.

Joy, which went on general release at the weekend, is the story of Joy Mangano, inventor of the Miracle Mop.

The title role is played by gorgeous Jennifer Lawrence, who has already been tipped to win her second Oscar for her acting in the film.

The movie’s all-life-affirming, woman-battling-the-odds stuff. Think *Erin Brockovich* with household appliances.

As such, you will almost certainly be dragged along to a local multiplex by your better half and be expected to shell out a tenner to watch a movie about – a bloody mop.

Still, while you’re enjoying all the mop-based action, just think about these snaps of the leading ladies with their boobs out...

WHAT THE DICKENS?!!

Babes from BBC adaptation topless

**TUPPENCE MIDDLETON

**SOPHIE RUNDLE
(HONORIA BARBARY)**

By **SIMON DEAN**
simon@sundaysport.co.uk

AROUND this time of year there is one author who makes us feel warm and cosy while the storms are raging.

Charles Dickens. The man who wrote classics such as *Oliver Twist*, *A Christmas Carol* and *The Old Curiosity Shop* is a firm favourite with telly producers – because he's long dead and they don't have to pay him royalties.

The BBC have gone back to the Dickens well for a new 20-part series which they're pumping out into the New Year.

Called *Dickensian*, it's a

drama set within the fictional realms of Charles Dickens's novels, bringing together some of his most iconic characters as their lives intertwine in 19th century London.

The cast reads like a Who's Who of Brit actors.

GREAT SEXPECTION: Dickensian's cast includes babes who've bared onscreen

One thing Dickens didn't do was sex. Thankfully, many of the actresses playing parts in Dickensian are no strangers to raunchy roles.

We had a quick look through our library for the best of the bunch...

A PRISON officer at a maximum security jail went to court to complain that his wife kept banging fellow screws!

Vexed Brain Muishi claimed wife Philis is so generous with sex she frequently dishes her goodies to his workmates at Khami jail (above), near Bulawayo, Zimbabwe.

Muishi made the claims in court, adding that Philis was once made pregnant by a workmate. However, he forgave his wife and took her back.

But last month Philis started with her new boyfriend, took all their matrimonial property and vanished.

He told the court: "My wife has gone violent and has been constantly abusing me. I was deeply pained."

Philis refused to attend court prompting magistrate Evelyne Mashavahure to grant an interim order barring her from emotionally and psychologically abusing her husband and disposing their matrimonial property.

A LONG-awaited gangster movie has smashed download records on the first day of its release – making it the “greatest crime thriller sequel this year”.

Fall of the Krays was released to the public as the bells rang in 2016.

And as the first hours of the new year ticked by, film fans logged onto online stores such as iTunes and Amazon Prime to make *Fall of the Krays* a runaway success.

The gritty film, telling the story of infamous mobsters Ronnie and Reggie Kray, has already been watched by huge numbers of film fans.

Fall of the Krays follows the

notorious brothers as their London crime empire collapses amid murder, sex and betrayal.

The movie is the sequel to summer blockbuster *Rise of the Krays*, which also featured actors Kevin Leslie and Simon Cotton as the notorious pair.

A film source said: "Everyone expected big things from *Fall of the Krays* but nobody thought it would break records in just a few hours."

"The internet was almost knocked out by the amount of download traffic from people trying to be the first to get their hands on it."

"It's safe to say that, based on initially figures, *Fall of the Krays*

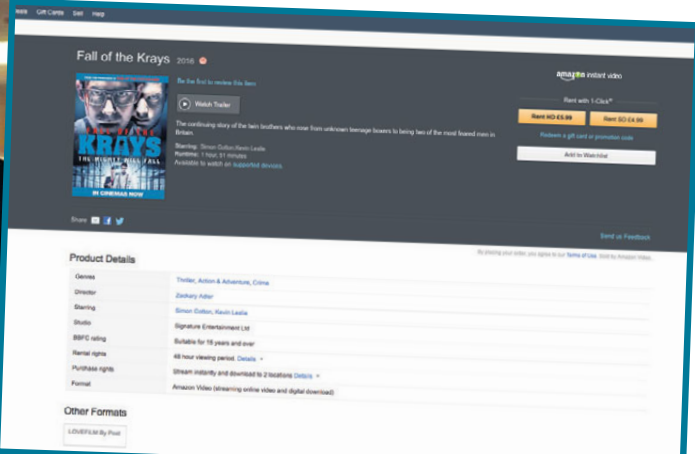

is the greatest crime thriller sequel released this year."

The film begins in the mid-1960s when Reggie (Leslie) and Ronnie (Cotton) are the most celebrated gangsters in London. They rub shoulders with A-listers and befriend high-powered politicians.

But the glory days soon come to an end with the suicide of Reggie's wife Frances.

As the criminal mastermind begins to lose his grip, his psycho sibling starts to take over, leading to the murders of rival gangster George Cornell and Jack "The Hat" McVitie.

The first film saw Leslie, 26, bag the Best Actor award at the Marbella International Film Festival. And his co-star Cotton is now tipped to be one of the big winners at this year's ceremony.

Car sex cop loses bid to win back job

A COP who admitted having sex with a woman in a patrol car has lost a bid to get his job back.

Bosses discovered that Fernando Sanchez was using his patrol car as a passion wagon during investigations into another cop, who was accused of coercing a 27-year-old woman to finger herself in the back of the same vehicle.

Sanchez was sacked in 2014 but details of his dismissal have only just been made public as he appealed.

Sanchez's lawyers argued he shouldn't have lost his job because he stopped having sex on duty after he was caught.

He also argued that in his 15 years on the force, his record had been "relatively spotless".

But a judge at the New Jersey Civil Service Commission said: "Sanchez' arguments for mitigation border on ludicrous."

"His suggestion that the penalty should be mitigated because he ceased such behaviour after his indiscretions became the subject of a criminal investigation is absurd."

DONKEY SEX MAN: I NEED LOCKING UP

JAIL PLEA:
Swartzentruber

SORE EYEORE:
Donkey abused by sicko

A PERV who dodged jail time after being caught having sex with a donkey is now going to prison – and that's exactly what he wants.

Gideon D. Swartzentruber, 21, was convicted on a count of sexual gratification with an animal.

Swartzentruber admitted to police he had initiated a brief sexual encounter with a female donkey in a barn.

He told investigators his "privates were out of control" and that he "got crazy and carried away," according to a police report.

The donkey's owner caught Swartzentruber with the donkey and he was charged.

He pleaded guilty.

The sicko, of Neillsville, Wisconsin, faced nine months in jail and a £6,700 fine, but instead, he was handed a year's probation, counselling and a £300 fine.

Fiddler

However Swartzentruber has asked a judge to revoke the sentence and bang him up.

Clark County Circuit Judge Jon Counsell obliged, and he ordered that Swartzentruber serve 30 days in jail.

Why the donkey-fiddler

By BRAD CHADWICK
news@sundaysport.co.uk

asked for the jail time is not clear. He represented himself in court and has gone without a lawyer since being charged.

Prosecutor Kerra Stumbris said that Swartzentruber did not say why he asked to be jailed but a source claimed he felt he needed locking up to control his urges.

Swartzentruber must report to jail tomorrow, but he will be allowed to leave for work.

#10 KIM KARDASHIAN

MANY people ask: just what exactly is Kim Kardashian famous for?

Well, isn't that obvious? The most famous scion of the publicity hungry Kardashian clan has achieved worldwide acclaim for having a big ol' arse – and getting her parts out with pleasing regularity!

The 35-year-old wife of Kanye West – who we are told is a musician – has never been shy to

By **SIMON DEAN**

show off what the good Lord has given her. And nine times out of ten, that involves exposing her immense trumper.

But Kim is also more than happy to reveal her full, heavy breasts and even broke the internet by posing stark naked and revealing a clean-shaved mimsy that you could smear in plum sauce and lick clean... (That's enough, Ed.)

CLAUDIA: I'M DESPERATE FOR A HIPSTER'S PULLED PORK

By WENDY THOMAS
news@sundaysport.co.uk

CALLING all pirates, lumberjacks and, unfortunately, hipsters – you're in luck.

Because busty Claudia Dean wants to shag a bloke with a BEARD!

The 22-year-old, who has all-natural 32DDs, is turned on by facial fuzz.

And the brunette, from Twickenham, west London, told us: "I'd never rule a man out based on his looks alone. I like guys who are a little rough around the edges – and I'm very partial to a good beard at the moment."

Trained ballet dancer Claudia is a cheap date, too, as she loves fast food.

She said: "My fave is a tall, stacked burger with pulled pork and fries."

STUDENTS TALK SEX!

BEST SEX

ANDREA: The best sex I've ever had was a one-night stand in a hotel up in Nottingham with a really good-looking Asian guy. I didn't get home until 10 in the morning and it was wild.

I went out and got drunk and when we met we just booked a hotel. It was great sex because I lost all my inhibitions. I didn't know him so it didn't matter.

My favourite sex position is the missionary, but that night we did a lot more than that.

ANTONIA: My best sex ever was with the guy I am seeing now. It's great every time because of the familiarity, I guess.

He's great on top and knows exactly how to press my buttons. Not many men have been able to do that.

OH-NO MOMENTS!

ANDREA: I got caught having sex in the woods once by a couple who were walking their dog.

I was on a lovely walk with my boyfriend of the time and the need for sex was fizzing between us so we ended up having sex in a spot that was out in the open. We were really going at it when the couple appeared on the scene from out of nowhere.

ANTONIA: Oh no, what did you do?

ANDREA: Shot up really fast, grabbed our clothes and just ran. I left my bra behind. They might have picked it up and handed it in to the police but I never dared to go and check, obviously!

ANTONIA: My most embarrassing moment was when my housemates walked in on me having sex.

It was with the guy I am seeing now and we were really into it when they just burst in. They all laughed but I told them all to f**k off and we carried on.

FANTASIES

ANDREA: My fantasy is full-lesbian sex. I actually had a relationship with another girl for a week and we did lots of snogging and more but not full sex.

ANTONIA: What's 'more'?

ANDREA: Tops and bottoms stroking, but I want to do the full works, that's my fantasy. Thinking back, I really wish I'd done it now.

ANTONIA: My fantasy is meeting Chris Hemsworth at a film premiere and getting him to take me to a luxury hotel

ANTONIA: I hope there wasn't anyone fishing nearby at the time.

ANDREA: No, there didn't seem to be anyone around, but we would have been hard to see us as it was dark. They would have heard a lot of grunting, though.

It was after a night out and with a guy I had met that night. For a one-off it was quite exciting and fun, even though a lot of alcohol was involved.

ANTONIA: I've had sex in a car. It was with my first boyfriend.

We used to have to find places where our parents would not catch us all the time. It was a bit awkward in the car though – I had to go on top of him and it kept slipping out!

WILLY SIZE

ANTONIA: I don't think size matters one bit, to be honest. I think seven inches is probably the biggest I've had, but I can't say I have ever actually measured anyone.

ANDREA: Foreplay is way much more important than willy size, I say. I've not had anything massive, probably the average, but if you don't get the right build up or the right moves it means nothing.

ANTONIA: Yes, foreplay is important and often gets overlooked by men as they're too fired-up and raring to go.

THREESOMES

ANTONIA: I've never had a threesome and I wouldn't want one. I'm far too jealous for that. I don't want to share my man with anyone, boy or girl.

ANDREA: I'd try one. I'd prefer it with

a bloke and another girl I think, not two fellas.

ONE-OFFS

ANDREA: I've had a few one-night stands, as I've said already. The guy in the hotel and the one under the bridge. Both times the sex was fantastic.

ANTONIA: I've had one and it was shit.

ANDREA: Why didn't you like it?

ANTONIA: Because of the drunkenness. I mean, what's the point when you don't remember it anyway and are too drunk to really enjoy the sex?

It was with another student but I can't remember much. I don't think they are for me, really.

you're in the mood you can't wait to get him good and hard with some serious sucking. But I can't swallow so I make sure I pull back and guide him where I want him before he comes.

SEX TOYS

ANTONIA: I'm just not into them. I don't have one.

ANDREA: I've got a vibrator, but I don't really get it out that much.

I prefer the real thing every time, but when needs must...

BUM FUN

ANTONIA: I have never tried it, but I don't think it's for me.

ANDREA: I tried it once, well we attempted it. I learnt, actually we both learnt, that you need lubrication. Lots!

I had to go on top of him and it kept slipping out!

for an all-night session. He'd order a room service breakfast for me the next day and we'd be doing it again when it arrived. That fantasy keeps my fingers busy, believe me!

AL FRESCO

ANDREA: I told you about the sex in the woods incident. I've also done it under a bridge by a river.

BLOWJOBS

ANTONIA: I spit every time, I don't like it. I will try to avoid giving lads blowjobs if I possibly can, well, not to completion.

ANDREA: I agree, I spit too. I wouldn't say avoiding blowjobs was right, that's a bit strong, they've got to be done and when

MONDAY

No apologies for a classic

SORRY! – BBC4, 7.30pm

IS BBC4 – often the only channel worth watching – going to become where the BBC endlessly replay their old sitcoms?

That said, *Sorry!* is one of the most underrated shows of all time.

Starring Ronnie Corbett as Timothy Lumsden, a man totally under his domineering mother's thumb. Classic sitcom stuff. Of course, in real life, a character like Timothy Lumsden would turn into a serial killer or a Yewtree.

Corpse blimey, this show's good!

SILENT WITNESS – BBC1, 9pm

I HAVE no doubt that real-life pathologists hurl their corpse dismembering tools at the telly when this comes on, as it is so far removed from the mundane reality of shovelling up decomposed junkies in council flats. Nevertheless, this show is smashing watching.

The apparent suicide of a DJ leads Nikki (Emilia Fox) to question her judgement in a strikingly similar case from her past and she brings the potential mistake to the attention of her colleagues.

The fresh evidence leads to the conclusion that a copycat killer is at large and Nikki finds evidence that an intruder has been entering her home.

Riveting!

DARTS: BDO World Championships – BBC2, 2pm

WHAT better way to spend a Sunday afternoon than slumped in the armchair with a few tins, watching the darts?

Colin Murray presents coverage of the second day of the BDO contest, staged at the Lakeside Country Club at Frimley Green.

Four contests are due to take place in this afternoon session, including Scott Mitchell v Craig Caldwell or Alan Soutar, Peter Sajwani v Vladimir Andersen, and Fallon Sherrock v Ann-Louise Peters, plus a preliminary round contest between David Cameron (not that one!) and Ted Hankey (left).

The Morse, the merrier

ENDEAVOUR – ITV, 8pm

NEW series. The young tec is suspended from duty following a recent case. However, he is roused from his bitterness and self-pity when the body of a woman who went missing at a funfair on Cowley Green is found near his home.

Shaun Evans stars as the young Inspector Morse in the third series of the detective drama. Truth be told, this is not a patch on the original Morse series but worth a watch.

Uber alles, a top drama

DEUTSCHLAND 83 – C4, 9pm

THIS German Cold War spy drama looks good.

A young soldier serving in the East German military in 1983 is recruited to become a secret agent.

He is given a new identity and sent over the Berlin Wall, where he must infiltrate the West German army and uncover details of American military plans in Europe.

If you are missing *Homeland* and in need of a spy fix, this could fill the void for you.

TUESDAY

Oh Brother, it's back!

CELEBRITY BIG BROTHER – C5, 9pm

HOORAY! It's that time of the year again when the *CBB* contestants come on the telly and everyone who can be bothered to watch asks: "Who the f*ck is that?"

The collection of once-famous, almost-famous and a-bit-famous-in-another-country will be entering a house transformed into a theatrical setting of a bygone era, with glamorous rooms packed with intriguing curiosities.

While the garden has been turned into a foggy Whitechapel street scene, complete with Victorian pub snug.

Hopefully, there'll be some Jack the Ripper-style slayings.

Terry risks a holy row

CRUSADES – BBC4, 10pm

I'M not entirely sure if the BBC are being a bit mischievous by repeating a documentary like this when the West is at daggers drawn with militant Islam and everyone's insisting "Don't mention the Crusades!"

Still, it's good stuff, for Python Terry Jones's chronicles of medieval Christendom's attempts to conquer the Holy Land recounts the gruelling march to Jerusalem, the siege of the city and its eventual capture – a victory marked by a massacre which aroused Islam's desire for retaliation.

DON'T MISS THIS!!!

DEATH IN PARADISE – BBC1, 9pm

IT'S lashing rain outside, we're ankle-deep in mud and – eventually – the winds will blow in from the frozen north and chill us to the marrow.

So a lighthearted drama set in the Caribbean is just the ticket.

Think of *Midsomer Murders* with more sunshine.

Perfect winter fayre.

The 25-year-old model has admitted she's a massive fan of playing hospital in the bedroom.

Nickie said: "Dressing up is something I absolutely love, and the nurse's outfit is definitely my favourite.

"I like to do a bit of role play – make him cough and then I check his temperature, which is a real turn on for both of us.

"Doggy-style really hits the spot for me. The best part of my body is my bum – so I welcome any chance to show it off."

Another passenger became irate when a trolley dolly closed the overhead locker – as the dumb mum had put her BABY in the luggage compartment.

The series of anecdotes surfaced on question and answer site *quora.com*.

Katerina Simms had a cabin crew pal who told her of the time a passenger used a sanitary towel as an eyemask.

She wrote "My friend got into an argument with a guy who insisted on having everything that was complimentary on-board."

"At one point a lady asked for a sanitary pad and he insisted he should have one, too."

Bizarre

"Upon receiving his free sanitary pad he peeled the paper backing off, exposed the sticky side, and stuck it over his eyes, falling asleep soon after."

Weird sex demands are among the most bizarre things flight attendants said they had to deal with, with one saying: "One guy asked me if he could masturbate even though the seatbelt sign was turned on."

Other bizarre inflight moments also include mopping up the blood dripping from an overhead locker after an antelope's head was found in it, and finding a car engine that was

brought onboard by a Nigerian passenger.

But that pales in comparison to the number of passengers who use the overhead lockers for carry cots.

Roi Yair remembered a flight where a lady became enraged after a flight attendant closed the overhead locker.

"As the crew were preparing for take-off, the flight attendants went through the aisles closing the overhead compartments," Roi wrote.

"On their way back, one of the them noticed that the compartment was still open."

"As she went to close it the lady sitting there got up and yelled at her, 'How do you expect my baby to breathe with the compartment closed?'"

In another post, David Cannon recalled a time when he was flying out of Texas and noticed a man light up a crack pipe on the back row.

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week KYLA COLE has been reading your letters. Here's her advice...

Dear Kyla,

I've got a real crush on *Sunday Sport* babe Kyla Cole.

She's an absolute stunner and I always fantasise about slowly stripping her off before she starts to give me the most sensual blowjob ever.

And then, when she's totally satisfied me, I pull aside the gusset of her sopping wet panties and proceed to lick her out for hours on end.

I know I'll never get the chance to do it in real life but I'm more than happy doing it in my imagination.

Just to help out a bit, could you possibly print a picture of her with her legs wide open for me?

MC, Manchester

Kyla says...

ER...no! But I am happy to respond to your letter - you naughty boy!

Dear Kyla,

I DON'T usually go out clubbing but last Bank Holiday weekend I decided to drown my sorrows as the missus left me recently.

I felt a bit out of place at first in the club but after a few drinks I really got in to the swing of things and ended up going back to a flat shared by a couple of babes - one blonde and one brunette!

After a while they disappeared upstairs and after 15 minutes I followed them.

They were in the bathroom, naked and in the bath.

They urged me to join them so I squeezed in and ended up having sex with both of them!

CM, West Yorks

Mr fix-it nails me four times a week

Dear Kyla,

I'M a 36-year-old mum-of-two and I was devastated when my husband left me for a younger woman two years ago.

I didn't sleep for weeks and turned into a virtual recluse.

Then, around three months ago, I had a carpenter in to repair a broken cupboard in my kitchen and my life virtually changed the moment I saw him.

He was a real hunk and very friendly, too. And after he'd done the job I found him more work – just to keep him in the house a little longer.

When he'd finished the tasks I made him a coffee and we sat chatting for a while and then I plucked up the courage and asked him: "Would you like to have sex before you leave?"

And to my surprise – and delight – he said yes.

A couple of minutes later we were naked on my bed and I was in heaven as he went down on me, licking and sucking on my fanny for ages – until I was nearly squirting.

I then guided his length into me and I was soon near orgasm as he thrust in and out of me and then I came as he shot his love juice deep inside of me.

After a few moments' rest I couldn't wait to get his cock in my mouth and I licked and sucked him to hardness again while gently massaging his swollen balls.

Since then my handsome joiner has been bonking me four times a week – and I'm loving every moment of it.

But the best news is that my husband's

young floosie has had enough of him and thrown him out.

Do you think my life has finally changed for the better?

GA, Essex

Kyla says...

GOOD on you, girl. I'm pleased you're having the time of your life with your new man.

Dear Kyla,

I'M the golf professional at my local club and I've been banging one of my pupils – an 18-year-old brunette with massive boobs.

When she first turned up I had a stiffy straight off.

She was wearing a lacey top and a tiny denim mini-skirt.

I was astounded when we reached the 18th hole and she whispered that she fancied gripping my wood.

So I wasted no time in shagging her daft in a bunker.

Then she pulled me out and sucked my throbbing cock.

She wants to go to the States and turn pro herself but I don't want her to – I can't imagine not being able to fill her holes with my love-liquid as we bonk on the course.

RL, by email

Kyla says...

I'M sure she'll need extra tuition before she goes – she's obviously got a high sex drive.

Dear Kyla,

MY best mate is quite a bit older than me and he has a stunning daughter aged 19 who's a right little minx.

With her perfect body she's got all the bitches in the village where I live lusting after her – even some of the pensioners stop and stare at her legs and arse when she's out jogging up and down the main road!

Last month she asked me to give her some driving lessons at an old disused airfield.

She suggested meeting at the end of her lane as she explained she was supposed to be staying in to do some coursework for next term at uni and she didn't want her dad to know.

When I picked her up she was wearing a short skirt and a low-cut top.

We had barely got out of first gear on the airfield when she did an emergency stop, turned to me and said: "I'm bored with this. Do you fancy a f*k?"

But she didn't wait for an answer, as she took off her top and placed my hand on her fantastic breasts.

She peeled off her knickers and spread her legs wide to show me her wet shaven fanny.

We got out of the car and after exploring her minx with my fingers I slipped her a length over the bonnet.

She's now cleared it with her dad for me to give her some more lessons.

But if they all end up like this I see trouble ahead.

What do you think I should do?

SD, Suffolk

Kyla says...

I SEE a major crash ahead. Get into reverse straight away, before this girl makes serious trouble for you with her father – and you end up losing a mate in the process.

SMELL! SMELL!

Jesus Christ – what a fart! You must have a good trumper!

IT is a little known fact, and one rarely mentioned on posh Radio 3, that lady ballet dancers absolutely love it up the bum.

We know that male ballet dancers are fond of vigorous booty love but the women in tutus also enjoy getting a rear-ly good prodding.

Little academic research has been conducted into this phenomenon as the world of ballet is incredibly posh and secretive.

When *Sunday Sport* went around to the stage door at the Royal Opera House in swanky Covent Garden to ask ballerinas all about bum sex, a constable was summoned and our man was quickly hauled away.

my boobs...

By WENDY THOMAS news@sundaysport.co.uk

THERE'S a reason so many lads go on their stag parties to the Czech Republic - ALL the women look like gorgeous Misha here.

There's another reason - Czech women LOVE showing off their boobs!

Misha, 33, who sports a cracking pair of 34E boobs, said: "We have very severe winters here where we have to wear big coats and furry hats.

"But in the summer it is very warm and we like to show off our breasts in the parks. Englishmen cannot believe it.

"I spotted one last summer who was hidden behind a tree masturbating as I sunbathed naked. This was a very big turn-on for me, yes?"

TIFFANY

GORGEOUS Tiffany Rousso admitted she is insatiable between the sheets.

It's no wonder the busty blonde stunna is never short of men chasing her for a date, looking at these jaw-dropping snaps.

And the 26-year-old babe, from Widnes, Cheshire, confessed she runs rings around most of her lovers

By **JESS GALLEY**
jess@sundaysport.co.uk

because she has an extremely high sex drive.

She said: "Personally, I just can't get enough sex. I would have it all day, every day, if I could."

"I wake up horny, desperate for sex, and I am absolutely gagging for it before I go to

sleep too. Sometimes that's intimidating for guys, because they feel like they just can't keep up."

"But it doesn't have to be full sex. I'm happy to satisfy my cravings by getting on my knees and treating them to a blowjob."

"But even if I'm single, I'm never short of offers from men - I think they're mesmerised by my huge knockers!"

ROUSSO

FIVE MINUTES WITH...

HORNY Karina Heart confesses that she's up for nookie morning, noon and night!

The self-confessed nympho loves MARATHON sex sessions and will do just about ANYTHING between the sheets.

And 30EE glamour babe Karina says she's addicted to porn and watches it daily.

Filthiest

The 23-year-old, from Manchester, also loves to go to lapdance bars with her boyfriend to keep things hot.

Karina said: "I'm very adventurous in bed and like to seek out new sexual thrills. I've never said 'Not tonight babe, I have a headache' and I've never had any complaints from fellas!"

Sunday Sport asked her the filthiest questions we could think of...

WHAT'S THE BIGGEST TURN-ON FOR YOU?

Obviously a good-looking man, but most important is having an imagination in bed.

I like a bloke who's a man's man, who isn't afraid to take control and who likes to talk dirty.

By SAM WALKER

samw@sundaysport.co.uk

That's so important, don't be shy! I love being direct about what I want sexually and I need a man who won't judge me or be afraid of my forthrightness!

WHAT'S YOUR FAVOURITE PHYSICAL FEATURE ABOUT YOURSELF?

It has to be my ass, don't you think? My boobs do draw men's attention when I go out, but personally I'm most proud of my butt.

I work hard in the gym doing squats. My personal trainer laughs when I tell him, "I need a great bum for when I'm getting shagged from behind!"

WHAT'S THE FILTHIEST THING YOU'VE EVER DONE?

I love spontaneous sex, the 'need it right here right now' kind.

I need to be with a bloke who's the same. I'm not into planned how's-your-father!

So that does lead me into trouble sometimes in that I've had sex in some strange places!

Let's see... I've done it on a beach, in a farmer's field, on

KARINA HEART

a plane, at work in the toilets and even at a funeral – all the tension in the room just made me horny!

TELL US ABOUT A FANTASY YOU'VE YET TO TRY BUT WOULD LIKE TO CARRY OUT
I get turned on by the idea of sex in public places where you can get caught. It's such a thrill.

So I'd love to be at a restaurant and sneak under the table – with a concealing table cloth – and give my man a sloppy blowjob.

Knowing that there are people all around us and he is getting pleased while having to hide it is so horny.

I'd love to have the same done to me, too. Maybe getting fingered while we're in the cinema on the back row!

DO YOU LIKE ANAL?

Yes I really do! I've never had an orgasm yet but I've felt really close while doing it.

The turn-on is that it's still quite taboo and very naughty.

Lots of girls I think are missing out by being afraid of anal but if you prepare

and be hygienic, relax and use lots of lube, it's really wonderful!

WHAT SEX TIP WOULD YOU GIVE TO BLOKES?

I had a boyfriend who made the earth move for me with one simple move. He'd lift my legs up and enter me, with him kneeling, and play with my clitoris with his fingers while he was banging me.

Good Lord, it's seriously hot and a surefire way to make me explode!

DO YOU WATCH PORN?

Absolutely. I'd say that I'm addicted! I love watching new stuff, it gives you ideas of things to try with your fella.

I love watching girl-on-girl, threesomes, anal, gangbangs and dogging!

I also like watching amateur porn – so long as they're shot well – because it feels more real.

EVER MADE YOUR OWN SEX TAPE?

Yes, I'm not camera shy! It's such a turn on to film yourself while you're losing your inhibitions. It feels risky.

Then watching it back is

hot, too. It's an eye-opener seeing how animalistic you are and makes you want to do it again. It's a virtuous cycle!

DO YOU SPIT OR SWALLOW?

Always swallow. I think it turns a guy on and shows you're not squeamish about bodily functions.

DOES SIZE MATTER?

Yes and no. Less so than most blokes think.

Don't get me wrong, I like a big cock and if his member was smaller than a cocktail sausage we'd have a problem!

But average is fine and it's more about what he does with it!

HOW CAN A BLOKE SEDUCE YOU?

I've done some online dating and, as filthy as I am, it's a turn-off when a bloke emails me a picture of his dick from the get go!

Sure, I like naughty pics and dirty talk but let's have some flirty build up.

Men often don't get it that for a girl to truly lose her inhibitions you need to make her feel comfortable with you. Then once I'm there, bring on the filth!

WITH HIS SPORTING ODDS AND ENDS

SOUND OF SILENCE: Diego Costa hasn't given Chelsea fans much to shout about

BLUES TO CLIP EAGLES' WINGS

NEW Year's Day wasn't the same without Premier League football but we are blessed with a top Super Sunday this afternoon.

Crystal Palace host Chelsea in the first leg with the visitors improved since Guus Hiddink's appointment until the end of the season.

With a full strength squad, BetVictor make Chelsea the 21/20 favourites to leave Selhurst Park with all three points, the hosts 14/5 and the draw 12/5.

Palace have set their stall out in both games over Christmas, playing out goalless draws with Swansea and Bournemouth and with a decimated attack will bid to complete a hat-trick.

Chelsea's clean sheet at Old Trafford was their first in four league games and goalkeeper Thibaut Courtois is 11/10 to keep back-to-back league clean

Palace to park bus against Guus

sheets for the first time all season. Chelsea can continue their upward curve under Hiddink and get the nod to end the Eagles' unbeaten run, appealing at 9/4 to win the game to nil and 6/1 by the solitary goal.

Premier League Top Goalscorer prices from BetVictor

Romelu Lukaku	13/8 (From 5s)
Jamie Vardy	7/2
Harry Kane	6/1
Odion Ighalo	6/1
Sergio Agüero	10/1
Riyad Mahrez	14/1
Olivier Giroud	20/1

Chelsea's Diego Costa started the campaign as the 4/1 joint-favourite alongside Manchester City's Sergio Agüero to be Premier

League leading goalscorer this term. However there's a different feel to the market now with Romelu Lukaku the new 13/8 favourite after netting twice against Stoke in Everton's 4-3 defeat at Goodison on Monday.

The Belgian is level on 15 goals with Leicester striker Jamie Vardy, with the latter eased to 7/2 (From 13/8) after scoring just one goal in his last five games after breaking Ruud Van Nistelrooy's record of scoring in 11 consecutive PL games.

Lukaku's biggest danger for the accolade would appear to be Spurs striker Harry Kane, who remains four goals behind the pair at the top of the scoring charts

but poised to pounce. Kane's side travel to Goodison for a mouth-watering contest and despite their excellent PL form BetVictor make Mauricio Pochettino's men the 17/10 underdogs to leave with all three points, Everton marginal 13/8 favourites and the draw 13/5.

Both strikers are 9/2 to open the scoring, and 6/1 joint-favourites to be named the man of the match, and each striker can be backed at 9/4 to out-score the other.

BetVictor expect goals however, and the 9/2 about both strikers finding the back of the net looks too big to miss out on.

Chelsea v Crystal Palace

Sunday, 1.30pm kick-off, live on Sky Sports 1

Remy wants move to be a French fancy

LOIC Remy is desperate to leave Chelsea and sign for today's opponents Crystal Palace.

The 28-year-old knows he must play regular first-team football to have any chance of breaking into France's team for Euro 2016 this summer.

He has been told by boss Guus Hiddink that he'll be going nowhere — but the striker has other ideas. He is stuck behind Diego Costa in the Chelsea pecking order and wants to escape this month before the transfer window slams shut.

Aston Villa are also keen but a relegation battle wouldn't be the ideal springboard to the Euros.

Hiddink has promised to give the former QPR ace more time on the pitch than Jose Mourinho did.

That might come true given Radamel Falcao's injury problems.

Remy is a major doubt for today's clash with the Eagles — but Costa is back from his suspension and is expected to lead the Chelsea line.

ITCHY FEET: Loic Remy

Tough

The Blues' other crows are faring well, with Gary Cahill on his way back from an ankle problem, while Willian, Oscar and Eden Hazard should all be over minor knocks.

Hiddink confirmed: "Gary Cahill didn't train on Wednesday, which means he has a little problem."

"We had two tough games against Watford and Manchester United."

"The physical intensity was high in both games but we didn't have big damage."

"Oscar was a bit hurt after a challenge. Willian got some tackles, so did Eden. There was intensity in these games but they have been recovering so they are OK."

It's clear why Palace

would love to have Remy as they are short of attacking options.

After a fantastic first half of the season, the Eagles have a real chance of snatching a European spot.

Connor Wickham is out with a calf strain, while creative midfielder Yannick Bolasie has a thigh injury.

Boss Alan Pardew said: "Looking at my injury list, it would like a striker - no doubt about that."

"But I'm not going to comment on Loic Remy. It's not fair because we play them. We are under a little bit of pressure in terms of our offensive players over the next two to three weeks. We've made some phonecalls this week to try to move something along."

Spurs can win title, roars Everton boss

EVERTON boss Roberto Martinez thinks Spurs have got what it takes to win the league this year.

Tottenham head to Goodison today on the back of a strong run that has fired them into fourth, just four points off top spot.

And the Spaniard (below) sees no reason why they cannot continue. He said: "Why not? If anything this season is about consistency and whichever team is able to be consistent in the second half of the season will have a great opportunity to achieve a really, really good ending of the campaign."

"Spurs have a strong squad, a large squad, they're competing in Europe. They've got a strong mentality as a group and I don't see them losing any sort of energy or focus over the next few months."

"If anything, being such a young team, I expect them to grow even stronger. I see them as strong contenders for a really successful finish."

Everton have a couple of injury doubts in midfield, with Tom Cleverley and James McCarthy both struggling to be fit.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

THE FAT CATS HAVE HAD THEIR CHIPS!

2015 has to go down as the year the Premier League big boys stopped getting it all their own way.

Until now, Chelsea, Manchester United, Man City and Arsenal have coasted into the Champions League places.

The game looks like being up at the other end of the table, too. Big but badly run clubs like Aston Villa, Sunderland and Newcastle have previously used cannon fodder coming up from the Championship to hide behind so that they can collect another season's TV booty and continue to betray their large fanbase.

Not this time. Watching little Bournemouth win back-to-back matches against Chelsea and United, Watford go on a winning run that takes them to the fringes of the

European places, and Norwich steering clear of the relegation zone at Christmas is a living nightmare for the stuffed suits at Villa Park, St James's and the Stadium of Light.

But it's a dream for fans. Not just of the teams enjoying the most open top-flight season in living memory, but for the neutrals fed up with watching the same old shite year in, year out.

I've not even mentioned Leicester, partly because they've almost become part of the top-four furniture now.

With the risk of the English Champions League qualification places being reduced to three, the next 18 months could be very interesting indeed - especially if England boss Roy Hodgson has the dilemma of whether or not to pick a bunch of mid-table players for his Euros squad.

Foxes take the biscuit

THERE are no official football awards at the end of a calendar year, but if there was, you'd have to give Leicester the team going for their transformation from bottom of the table in April to top in December.

Bargain of the year has to be Spurs' Delle Alli, with Raheem Sterling getting the booby prize in that category.

Finally, best manager of 2015? Forget anyone in the top flight - although Bournemouth's Eddie Howe comes a close second. The award simply has to go to Chris Hughton (left) at Brighton, who has done an astounding job of turning around the Seagulls' fortunes.

MERV'S FACT HUNT

LAST week I asked: Which four players won England caps while with German clubs? The answer is Owen Hargreaves (34 caps while with Bayern Munich), Kevin Keegan (25 caps SV Hamburg), Tony Woodcock (16 caps FC Köln) and David Watson (2 caps Werder Bremen). This week's Fact Hunt is: Which three players scored Premier League hat-tricks for Sunderland? Answer next week...

DUNDEE 2 DUNDEE UNITED 1

NICK'S LUCKY FLICK!

Ross deflection floors United

DUNDEE UNITED look dead and buried after Nick Ross's deflected winner cost them the second city derby.

The Tangerines took the lead thanks to a Blair Spittal free-kick before Dundee came roaring back to take the points.

Kane Hemmings struck to level the scores before the home side got a huge slice of luck as Ross's effort hit Sean Dillon and flew in, giving the Dark Blues bragging rights over their neighbours.

United's plight wasn't helped by midfielder Guy Demel getting his marching orders for a second yellow card with eight minutes left.

The Tangerines now sit 10 points adrift at the bottom of the Premiership and haven't won since October.

Flapped

The only black mark for Dundee came on 15 minutes when James McPake was stretched off after clashing with John Rankin.

It was a 50-50 tackle and neither player was at fault. Medics were on the pitch for more than

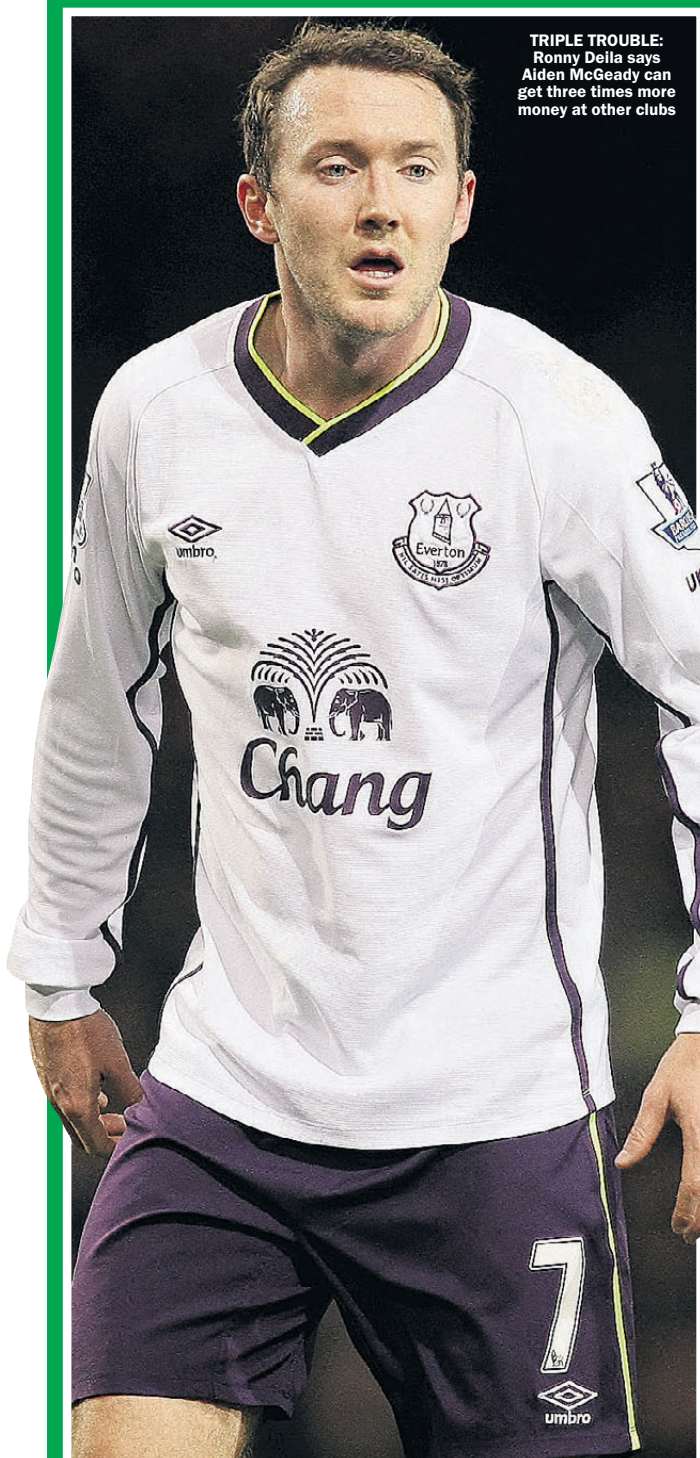

five minutes before he was carried off with what looked a bad injury.

And the resulting free-kick led to the opener, with Spittal's 25-yard effort beating Scott Bain.

United keeper Eiji Kawashima was at fault for the equaliser as he flapped at a Nicky Low cross and Hemmings picked up the pieces.

The winner needed a huge slice of luck as Ross's 25-yarder cannoned off Dillon before nestling in the back of the net to break United hearts.

TRIPLE TROUBLE: Ronny Deila says Aiden McGeady can get three times more money at other clubs

HOOPS BOSS RON: WE CAN'T AFFORD AID!

RONNY DEILA has told Aiden McGeady (left) to lower his wage demands if he wants a Celtic return.

The 29-year-old is surplus to requirements at Everton and has been linked with a move back to Glasgow – but Celtic boss Deila insists he can't match the Ireland winger's pay.

He said: "We've tried before to get those types of players, but they can pick up three times the salary at other places.

"Carlton Cole went down a lot in salary. We wouldn't be able to pay the salary that the likes of McGeady are on.

"The difference is so big that there is no chance. Our wage structure would be broken 10 times over if we did that."
